Guidelines for this form are outlined on the back of this form and must be read and followed explicitly.

All Horse ID and Lease Papers are due into the Cooperative Extension 4-H Office on or before April 1st. You may turn in ID papers for as many horses as you like. You will have until May 1st to decide which horse you will use.

If your ID paper comes in after April 1st , but before May 1st, you will be assessed a 10 point penalty off Saturday's Horsemastership score. IF YOUR PAPER COMES IN ON OR AFTER MAY 1ST, YOU WILL NOT BE ABLE TO PARTICIPATE.

In case of injury or illness to a horse, a note from the vet will be required in order to use another horse. This will need to be brought to the attention of the Horsemastership Committee.

Any other circumstances that will require you to use a horse other than the one you have ID'd as yours, you will need to get a hold of the Horsemastership Committee for approval.

Note: You must be enrolled in the horse project by April 1st of the current year to participate in Horsemastership.
